NOTICE TO EVERY FRIEND OF INTERNATIONAL JUSTICE

Here is your opportunity to invest money in a service that counts.

The American Peace Society is faced now with its greatest challenge, its greatest opportunity, and its greatest hope, for the thought of the world has been stirred against war as never before.

Furthermore, the program of the American Peace Society is at last more than of academic interest; it is upon the tables of the chancelleries of the world.

That program is, therefore, nearer to realization than at any time during all the hundred years of its history. This high business must be pushed.

The area of the Society's usefulness must be broadened.

The accounts of the American Peace Society are approved by certified public accountants and endorsed by the National Information Bureau, Inc., 1 Madison Avenue, New York City. That settles the matter of financial management.

The work of the American Peace Society is approved by the Carnegie Endowment for International Peace, presided over by such men as Elihu Root and James Brown Scott. So much for the quality of service.

Just now, and this is our point, the approval of this powerful Endowment is tangible and concrete, for the Carnegie Endowment for International Peace has voted to grant to the American Peace Society a dollar for every dollar this Society can raise up to \$15,000.00. *The time is limited.*

This sum, of course, must be raised.

You, as a friend of international justice, will wish to help make this sum available. We are sure of this, for here is a real investment opportunity. For every dollar you give now, another will go with it into this, "the greatest job facing the nations." If you are concerned to help in the establishment of a "Governed World," and of course you are, your opportunity is here and now.

Make the Check to THE AMERICAN PEACE SOCIETY, and mail it to 613 Colorado Building, Washington, D. C.

In this appeal it is assumed that you are acquainted with the labors and achievements of the American Peace Society, a work harking back to 1815. If, however, you are interested to know more about its operations, drop a line to its Secretary, Arthur Deerin Call, Washington, D. C.
